Each player will bowl a total of 3 games. Please remember to explain to your sponsors: They may choose to pledge PER PIN, or a FLAT PLEDGE. PER PIN Pledges are made with the understanding that 100 will be the lowest score for which your sponsors will support you. So a pledge of 25¢ per pin will result in a minimum pledge of \$25.00 for any score you get of 100 or below. But, for example, if you bowl 200, the pledge of 25¢ per pin would amount to a pledge of \$50.

We are a private, not-for-profit school serving students with a range of developmental disabilities. We serve children age two through adult, each with individual needs. Many of our graduates have gone to college, entered the workforce, and become productive members of our community. We're building our students the school building they deserve! Please support us in making this dream come true.
