

March 10, 2011

Dear SNS Families:

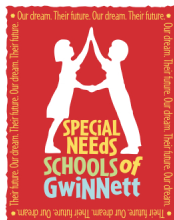

As plans are being made for the upcoming 2011 – 2012 school year, the Board of Directors would like to inform SNS families of a few upcoming changes. Included in this packet you will find your contract for the 2011 – 2012 school year and an informative flyer for a newly established scholarship. Please thoroughly read through all of this carefully.

Effective for the upcoming school year, there will be a shift in tuition costs due to our current financial situation as non-tuition revenue continues to be down. We have cut expenses in areas where we were able, but in order to off-set costs, and maintain our current integrity as a school, this must be done. To encourage involvement in our fundraising efforts, we have established a scholarship that will be awarded based on a family's support of SNS through volunteerism and fundraising efforts. The primary goal of this program is to allow SNS to keep tuition at traditionally low levels by enhancing our non-tuition revenues. Additional information regarding qualifications and award amounts are shown on the enclosed flyer.

If you have questions or concerns, a parent meeting has been scheduled for **Tuesday, March 22 at 7 pm** at SNS. Childcare will be provided and we encourage you to attend. Please note the SNS staff *will not* be available to discuss these changes or answer questions prior to the meeting.

Sincerely,

Wally Bryan, President
SNS Board of Directors

_____ 11. **Absenteeism:** Attendance at school is an important part of student success and achievement. **A pattern of absences puts students at risk of not achieving their potential for their grade level and courses.** Additionally, the state truancy law defines minimum attendance requirements and reporting requirements of schools related to truancy. The state truancy law (O.C.G.A. Section 20-2-690.2) defines truant as “any child subject to compulsory school attendance who during the school year has more than 5 days of unexcused absences”. According to state guidelines, excused absences include:

- a. Personal illness
- b. A serious illness or death in a student’s immediate family
- c. A court order or an order by a governmental agency
- d. Observing religious holidays, necessitating absence from school
- e. Weather conditions making attendance impossible or hazardous

Please remember that if your student is absent from school, you need to send a note to the school stating the reason for his/her absence. In some instances a note from the doctor will be required. Should the reason be one noted above, your student’s absence will be marked as excused. SNS teachers and school leadership will communicate with you regularly if there are school attendance issues. If absenteeism becomes a problem, the SNS Director will set up a conference with the parent(s) to address the concerns and issues. Excessive absenteeism, even if they are classified as excused absences by state guidelines, is grounds for expulsion from all SNS programs.

THE FOLLOWING ITEMS ONLY APPLY FOR PARENTS WHO RECEIVE THE STATE OF GEORGIA’S SPECIAL NEEDS SCHOLARSHIP:

_____ 12. **Parents and Special Needs Schools of Gwinnett, Inc. shall be responsible to know and must abide by all Georgia Department of Education rules, regulations, and guidelines pertaining to the scholarship.**

At this time, you will have two options (please note your choice by circling the letter below):
