

## OUR MISSION

**Our Dream.  
Their Future.**

To provide the highest quality education and therapeutic programming available.

To nurture and challenge each student on his or her own level in all curriculum.

To instill in each student a positive self-image and love for learning

To support parents in their understanding of and quest for the best for their children

# Our Dream. Their Future.

## Special Needs Schools of Gwinnett, Cordially Invites You to Participate in the SNS Golf Classic on November 18th 2019 at TPC Sugarloaf.

Special Needs Schools of Gwinnett (SNS), is a non-profit organization providing educational, multi-therapeutic and early intervention services to over 50 students ranging from pre-school age to young adults.

SNS students are children first, with all the needs, desires and feelings of non-disabled children. They are more like other children than they are different. Their disabilities are inconveniences which keep them from enjoying full lives and, therefore, must be overcome or compensated for so that they can reach their full potential. We believe that a person's value is not related to what they can or cannot do, but is inherent in their own varied existence.

SNS exists for its students. SNS students do not have to "fit" into the classes; the classes are created to meet the individual needs of the students. The goal is for each child to reach their full potential in social, academic, language and motor skills; to gain independence, and to develop an "I can" attitude toward learning.

Our school has reached capacity at over 50 students operating out of two rented trailers and two very old residential homes. The students and teachers don't have enough room to move around. Everyone is crowded. Additionally, the school is not able to serve even a fraction of the children and young adults who need this type of environment and are on our waiting list. Therefore, we are reaching out to our community to help raise money so that we can build a real school building for our students and teachers that need and deserve it and increase our capacity to 200 students.

We greatly appreciate your participation in the SNS 2019 Golf Classic. Any contribution you can make adds to our dream and, most importantly, to our students' future!
